**Student survey: Tom Brown and Peter Klein modified district survey-
gave to students Survey Monkey (took out
'neither agree nor disagree' from district survey)
-bullying and treating others with respect an issue on survey
-use this survey as a baseline for next year (2017-2018)
- let's go back to staff with survey results and generate ideas to
improve student climate
- need to get more members on PBIS committee
- Playworks (recess) program- PD and student work**

**LASER portable. What is happening with this?
SLP and School Psych are supposed to be working in the
portable but do not have a phone or internet so they can't use
it right now. Right now it is a space that is used as needed. Robbie
would like to put up a sign up sheet for people to use it.
Also being used as an evacuation space for room 7.**

**The district has given back the lease to LASER meaning that
they can share the space. However not for Pre-K use.
2017-18 is planned for SLP and Psych for the portable.**

Great space for 5th grade to use for overflow and pull outs.

**Yale Center. We are simply partnering with them through the
survey.**
